

TOOL HANGING ACCESSORIES

EASY ORDER GUIDE

TWIST & LOCK TOOL HOOKS

With the Wall Mount Panel System, tools and equipment are organised and neatly stored above the work top area with the use of varying sizes of hooks, holders and hangers. The simple lock and twist design means these tool hooks can be locked and relocated with ease.

FEATURES

- Zinc plated steel & plastic mount
- Large range of hooks, hangers and holders
- Lock & twist design makes using simple
- Load rated to 5kgs per hook

Available in red ● & green ● kits or packs of 10 only. Number denotes quantity per kit.
